### LATEST FEDERAL ANNOUNCEMENTS

#### 1. SAFE WORK AUSTRALIA RESOURCES

A new online toolkit has been launched to provide detailed guidance for businesses and workers on how to stay safe from COVID-19.

The Safe Work Australia (SWA) website now provides businesses and workers with work health and safety guidance relevant to 23 specific industries.

Information includes guidance about physical distancing, personal protective equipment, worksite cleaning, how to conduct risk assessments and design emergency plans, as well as providing case studies to help explain how to manage the risk of COVID-19 in the workplace.
