- Payroll and Administration
- On-going Mentoring and Support

**PLUS, NECA SA/NT MEMBERS
RECEIVE DISCOUNTED RATES!**

How to Become a Host Employer with NCA

To become a Host Employer, your business must be a safe and supportive environment for Apprentices. Host Employers must be able to provide Apprentices with appropriate supervision and training. NCA can assist with a tailored WHS system to ensure you are meeting your WHS requirements to host an Apprentice and create a safe workplace environment.
