

HSE DIGITAL SMALL BUSINESS

Running a small business and don't require the full HSEQ Digital system? We have a solution for you!

The new HSE Digital - Small Business product utilises the same online and app cloud-based solution as HSEQ Digital, but simply provides the WHS documentation necessary for a small business.

Order the HSE Digital - Small Business and you will get:

- ☒ Safe Work Method Statements
- ☒ Registers
- ☒ Procedures
- ☒ Plans
- ☒ Policies
- ☒ Checklists

and more...

All documentation is integrated and streamlined between the office and the field, making your WHS requirements easier, simpler and more efficient.

The HSE Digital - Small Business includes...

- 5** End User Licences for Trades in the Field
- 1** Administrator Licence for Your Computer
