

NECA Gosford Branch Briefing Night

Wednesday, 12 February 2014 commencing at 6.30pm (dinner), 7.00pm (meeting)
Ourimbah RSL Club, 6-20 Pacific Highway, Ourimbah

All Members Welcome

7.00pm

Owen Leslie, NECA's Work Health and Safety Manager

Electricians and others within the industry such as manufacturers, wholesalers and retailers play a vital role as intermediaries to help deliver key electrical messages to consumers.

Every year people die due to an electrical accident at home or in the workplace. Owen will highlight some of the issues reported in the field and open the discussions up to exchange best practice strategies on how best to prevent electrical accidents.

7.30pm

Steve Hodson, Sales Manager Clipsal Schneider Partner Business

Surge Protection

- ◆ Why Install?
- ◆ Where to Install; and
- ◆ How to Install Surge Protection
