About Ray Hodge: Ray's central focus when working with clients is to gain significant improvement where there are current inefficiencies and poor results. Much of his work includes:

- ◆ Streamlining blocked and inefficient processes and systems (chaos to order)
- ◆ Financial analysis and KPI reporting
- ◆ Improving personnel productivity and satisfaction; getting the right people in the right roles; accountability structures
- ◆ Increasing marketing and sales results
- ◆ Strategy, restructures and implementation

Exclusive Event Sponsor:

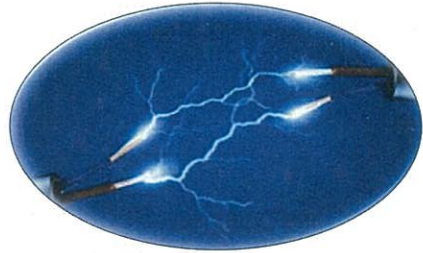

This is an event for all those working in the electro-technology industry — members of the Association, non members, manufacturers and wholesalers are welcome to attend.

Any business that joins NECA prior to or at the event will be entered into a draw for an additional 12 months membership.

Please RSVP: By completing the attached Registration Form advising of attendees and returning to Pamela Renneberg by **Wednesday 19 February 2014**. This is essential for catering purposes.
