Important Message to Members

NECA policy is that the membership database be available for use in the following ways:

Primary Purposes:

- i. Information exchange and the transaction of usual business between the member and the association.
- ii. Statutory returns to the Australian Industrial Registry and the like.

Secondary Purposes:

- i. Yearbook and website listings and members contact information for contact by phone or mail only for commercial introductions.
- ii. Direct mail by organizations that purchase the database for mail contact and trade matters or are part of NECA through the Associate Member program and to provide details to approved third parties to contact members about member only deals and discounts.

If you do not wish for NECA to make this information available in this matter, please sign below.

I/We _____ (insert business name) herewith request the information about this business not be included in any association listing used for publication or direct marketing.

I/We _____ certify and agree to the following clauses:

- i. That all of the above mentioned information is true and correct; and
- ii. That as a condition of acceptance of this application agrees, if approved as a member, to adhere to and are bound by the current constitution and rules of NECA, which may be modified or varied in any extent in the future.

This request will prevail until withdrawn by a representative of the business.

Subscription Fees

Your subscription fee is based on the number of electrical staff engaged with the business. Please record the number of persons engaged with the business in the boxes below. Please note that persons listed in the shaded boxes **are not** counted when we calculate your subscription fee.
