

Why Choose Motorpass?

Motorpass is much more than a fuel card

From fuel purchases, vehicle servicing and repairs, hotels, taxis and car rentals – to tax approved monthly statements, quarterly FBT and BAS reporting, Motorpass simplify managing your expenses.

Accepted at more than 11,000 service stations and automotive specialists throughout Australia, Motorpass offers convenience, security and savings.

Motorpass also provides additional options to help you manage your vehicle expenses. By including our roadside assistance and insurance extras you can keep all your expenses on one simple statement.

Savings – Time & Money

The Motorpass card allows you purchase at the most competitive price, reducing your overall fuel expenditure. All fuel purchases made with a Motorpass card are charged at pump price.

Greater access means increased potential for savings. By using Motorpass to take advantage of favourable purchasing opportunities, annual fuel expenditure can be significantly decreased with minimal effort on the part of your drivers.

Convenience

- Not restricted to one brand of fuel
- Accepted at more than 11,000 service stations and automotive specialists throughout Australia
- The original multi-branded fuel and fleet card – over 20 years in Australia

Savings

- Freedom to shop around for the best service and lowest price fuel – compare and save
 - You can charge spare tyres, repairs and maintenance, car rentals, accommodation and taxis
 - Achieve significant reductions in administration expenses
- 

- No transaction fees, just one low monthly cost.
- Up to 44 payment –free days, allowing you to improve your cash flow, also provides a range of payment options including direct debit, cheque, BPay and Credit Card

Control

- Odometer readings, litres purchased and fuel consumption can be shown on statements – providing valuable fuel economy comparisons for total control of your vehicle expenses
- All purchases are listed on your statements, showing product and point of sale, helping you to identify any misuse
- We offer flexible options to restrict and control card usage. For example, ‘fuel only’ restriction

Reporting

- Clear and fully itemised statements separate GST and non GST items
- FBT assist is an extra service you can take advantage of to take the hassle out of calculating FBT each quarter
- The Australian Commissioner of Taxation has ruled that a Motorpass invoice is the only substantiation you need for business vehicle expense
- Annual Tax Summary, listing the year’s vehicle expenses on one report saves hours of accounting time
- Invoices can be archived and reprinted for you in the event of a tax audit
- Statements can be provided in a format that can be uploaded to MYOB or Quicken
